SK to clash with Karthi

Chennai, June 1: The latest update is that Sivakarthikeyan will clash with Karthi at the box office for the second time. The makers of 'SK 20' have announced the film's release date even before the film's wrap-up, and wished Sivakarthikeyan for the success of 'Don'. 'SK 20' is slated to release on August 31st for the occasion of Vinayagar Chaturthi, and the film

will be released simultaneously in Tamil and Telugu across the world. Therefore with this development, 'SK 20' will be clashing with Karthi starrer 'Viruman', which has been already announced to release on the same date. Also, it will be the second time that Sivakarthikeyan and Karthi will be clashing at the box office after their respective movies

'Hero' and 'Thambi' were released on the occasion of 2019 Christmas. But both films received good responses and turned into successful ones. However, let's wait to check whether both succeed this time too or if either one wins. 'SK 20' is expected to be a romantic comedy, and it features Sivakarthikeyan, Maria Ryaboshapka, and Sathyaraj in the main roles, while Thaman is scoring the music for the film. The final stage of shooting is underway in Pondicherry and is expected to be wrapped up soon.

'Dragon Ball: Super Hero' a great power combo

Chennai, June 1: The new 'Dragon Ball: Super Hero' trailer has teased a great power combo.

There will be Piccolo and Gohan both turned immensely powerful, alongside there will be the return of Frieza and Broly.

With a new animation style, previously only used for fight scenes, and a significant time skip in the series, the new movie promises to be one of the greatest Dragon Ball Super movies so far.

In the years since Goku destroyed the Red Ribbon Army, a new group of individuals have decided to remake

it. With the primary goal of getting revenge on Goku, they create two new powerful Androids, Gamma 1 and 2.

Piccolo realizes something strange is going on and decides to investigate their base, discovering a powerful and destructive evil weapon in the process. With Dragon Ball Super: Super Hero nearing its debut across theaters in Japan in just a couple of weeks, Toei Animation has begun to show off even more of the new movie in order to fill the seats quicker.

While fans had been teased about all of the characters that would be showing up in the movie, the latest promo for the

film actually teases that we will be seeing Frieza again in some capacity as the villain is briefly shown alongside many of the other characters, probably in a supporting capacity rather as a villain, but that is yet unknown.

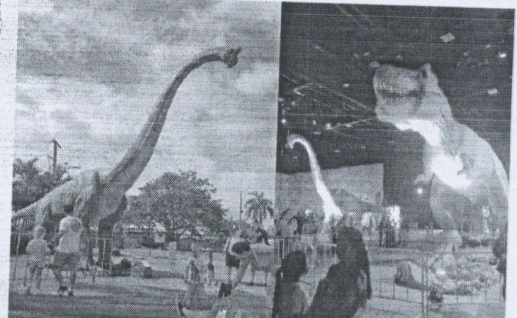

Speaking to the official Dragon Ball website, Dragon Ball manga writer Akira Toriyama opened up about why Gohan and Piccolo are the main team up for the new movie as he explained that Gohan hasn't had a major role in a while.

S Rlys eliminates unmanned level crossings

Chennai, June 1: The Southern Railway on Tuesday announced that it has completely eliminated unmanned level crossings in Tamil Nadu giving more thrust on safety.

Southern Railway sources said Railways accord paramount importance to the safety of train operations as it is crucial for the safety of rail passengers as well as road users who come in contact with railway lines.

In order to facilitate uninterrupted and safe movement of both rail and road traffic in the areas of rail-road interface, Railways, in coordination with civic authorities construct Road Over Bridges (ROB), Road Under Bridges (RUB) and Limited Use Subways (LUS). ROB, RUBs and LUS enhance the safety of train operations, besides improving the speed of trains.

During the eight year

period from 2014 to 2022, 92 ROB & RUBs have been commissioned in the state of Tamil Nadu.

Focusing on curbing trespassing accidents involving road/rail commuters and 262 vehicles at level crossings and enable smooth flow of road/rail traffic, Railways are eliminat-

In Tamil Nadu, a total of 639 unmanned level crossings and 262 manned level crossings have been eliminated during the 8-year period from 2014 to 2022.

Enhancing safety,

100% elimination of unmanned level crossing gates was achieved in September 2018 in the rail network spanning over Tamil Nadu state. The manned level crossing gates are being eliminated in phased manner by Railways, the sources said
